We admit all children that we are able to reasonably and safely provide care for with existing staff to child ratios. Onsite speech therapy is available to residents of Washington County who qualify for services. Children of all religious backgrounds are accepted with the understanding that we regularly teach the Gospel of Christ.

ST. DAVID'S

CHRISTIAN EARLY
LEARNING CENTER

"How great is the love the Father
has lavished on us that we should
all be called children of God."

1 John 3: 1

Our Philosophy

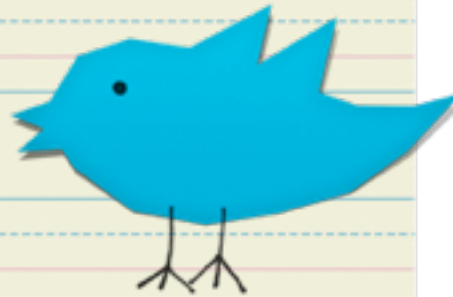

At St. David's Christian Early Learning Center, we believe in providing each child with Christ-like love and acceptance, nurturing their God-given interests and talents so they may grow, develop, and achieve all God has planned for them. We believe the word of God is the foundation of knowledge and wisdom, and therefore is the heart of our curriculum and learning experiences. We further believe that children learn best through inquiry, interactive learning experiences, art, music, and dramatic play, and therefore provide a variety of these in our daily learning activities.

Our Mission

The Mission of St. David's Christian Early Learning Center is to meet the spiritual, cognitive, social, physical, creative and emotional needs of each child by providing an exceptional Christ-centered educational experience. We seek to minister to families through a sense of community, outreach activities, and drop-in child care.

Licensure and Accreditation

As a religious organization, we are not required to be licensed, but meet the licensing standards for Pennsylvania. We strive to meet the standards for early education set by the Association of Christian Schools International.

abcd

Our Curriculum is built around the Bible stories we use to meet the spiritual goals we have for the children. The weekly and monthly themes and learning objectives are developed and integrated. Our curriculum honors various learning styles by including art, story telling, hands on discovery, drama, and music. Fun learning activities are utilized to meet the Objectives for Early Learning set by the Pennsylvania Department of Education.

Our staff is made up of trained, experienced teachers, and caring aides. All staff have CPR training and current clearances. We provide all staff with ongoing training in order to offer children the most up-to-date learning experiences possible.

"I am so thankful for St. David's, where the teachers love and appreciate my children for exactly who they are."

— Melissa G.
Mom of Olivia and Owen

OUR PROGRAMS

At St. David's CELC children and families are welcomed into a loving homelike atmosphere. All of our classes provide a variety of hands on learning activities, large group and small group activities. Our preschool classes are grouped by age, and our Mother's Day Out and enrichment classes offer multi-age learning experiences.
